CTA 3/AHT/JHB

Monday - Thursday

4:30-6:00 pm

This program is for junior players who are in early stages of tournament play. These players on a weekly basis will work on their technique through pro-fed drills, live ball drills and point play. Players in this class must accumulate a certain amount of Challenger tournament points to move to CTA 2. Players in this class should try and utilize the club match play days and club tournaments for continued improvement.

GREEN /ORANGE BALL (10 & UNDER)

Monday – Thursday

5:30-7:00 pm

This class is for 10 and under players that already have the basic fundamentals. These players are already competing in orange ball and green ball tournaments. Players will work on technical and tactical improvement through pro-fed, live ball and match play. This class does require professional approval. Players in this class should utilize the match play days and club tournaments for continued improvement.
